## MIDDLE FORK OF THE SALMON

Thanks for choosing Wilderness River Outfitters for your upcoming Middle Fork Salmon float! From start to finish, this legendary river trip will take you down 100 miles of pristine whitewater coursing through the heart of the Frank Church River of No Return Wilderness. In this wild river canyon you will encounter striking waterfalls, peaceful natural hot springs, world-class trout fishing, and sandy river beaches to watch the stars from each night.

As you prepare for your trip, there is some information you'll need to review and specific tasks you'll need to complete. Don't worry, we've outlined the important stuff to make it easy!

### Here's where to start:

1. If you haven't already, pay your 25% deposit to complete your reservation and ensure your space(s) are held. This can be done by clicking "Pay Balance" on your reservation page. You can also send a check to the address listed at the bottom of this document.
2. Once you have paid your deposit, return to your reservation page and click "View Info and Documents." From the list of documents, open the "To Do List" to see a timeline of tasks you will need to complete before your trip, such as completing paperwork and arranging lodging before and after your trip.

Keep in mind that you are signed up on an active and participatory outdoor adventure. As our guest, you can do as much or as little as you'd like, but you will enjoy your trip more if you are in good physical condition.

If you have any questions along the way, don't hesitate to contact us via cell or e-mail, both of which are listed below. We're looking forward to having you on the river!

Sincerely,
